10 minutes before start to each stage (without first stage) must be decoration on the podium the best team in General Team Classification and they Sport Director and will be present leaders all individual classification also.

ARTICLE 13. Penalties

The UCI penalty scale is the only one applicable.

ARTICLE 14. Public order and safety in the race

1. During the race, traffic will be limited in the race's area at the each stage. It means on coming traffic from the opposite direction and the crossing traffic will both be closed before the lead group and main group will pass. 10 minutes after the passing of the main group both traffics will be opened and late riders will ride with normal traffic.
2. The last kilometers of stage except stage will be on laps and the traffic will be closed for the other road's users. The start of stages after start will be on laps and the traffic will be closed for the other road's users. Due to the circular route through the built-up area, competitors must consider the possibility of being on the route of other road users and applying traffic regulations in such cases.

The race's route on these laps will be located within the town and so riders have to consider that on these roads perhaps there are other users. In this situation riders have to respect the road traffic act. All participants should be aware that on the race's roads the traffic is not closed

3. Riders and all participants in the race are obliged to apply with the Roads Traffic Acts. Riders and all participants may neglect the Road Traffic Acts only at crossroads in presence of policemen with police car and in situation where themselves or the leading group are preceded by a police car. In all other situations both rider and all participants are obliged to apply with the Road Traffic Acts.
4. Drivers of vehicles in the race convoy are obliged to comply with all commands: policeman, Commissaries Panel and transport's chief.
5. Before to entry to the finish area of each stage all must comply with all command staff which will be responsible for to arrange traffic at the parking area. Do not leave the vehicle or stop without unnecessarily. Vehicles must be parked in designated areas.
6. Vehicles of the Commissaries Panel may continue to ride on the laps and across the finish line.
7. In case of incident or road accident it is mandatory to stop the vehicle, arrange for warning road users about the vehicle position, give first aid to victims of the road accident and notify the police department about the incident during the race.
8. The organizer is not responsible for accidents and other losses during the race. Participants of the race must have insured against any cases and treatment costs.
9. The organizers cannot be held liable for any accident or material damage to third persons before, during or after the race.
10. Riders and participants of the Race are obliged to comply with traffic rules and regulations. Riders and all other participants of the race may not follow the rules of the road while driving in the race column, that is between the first marked police vehicle and the vehicle "end of the race" and also after excluding other vehicles on round sections of the route.
11. All meetings and ceremonies will be held in accordance with the current recommendations of the UCI and Polish authorities regarding the prevention of the spread of the Covid-19 pandemic.
